*SPIRIT
OF
THE
INDIVIDUAL*

You've got to make it by yourself,
You know you've got to make it by yourself;
I'll be your friend and I'll lend o helping hand,
But you've gotto help yourself before I con.

Without ideals, without effort, without scholarship, without philosophical continuity, there is no such thing as education.

SP-IR-IT

You've got the spirit,

So let's hear it!

It sure was a good time,
All those times back then;
Twilight walks and Prom time talks,
Oh, how I loved it then!

HAPPY BIRTHDAY AMERICA

SEE HOW YOU'VE CHANGED . . .

Keep MEN in office!

You think you've got problems! I can't do a thing w/ my hair.

Hey woman, where's my dinner?

THEY think they know it o!!!

You've come o long way baby!

I am woman!

There's more than one way of blowing your horn.

And now do you have any OTHER problems?

I'll grit my teeth, but I won't bear it.

If a better world is to be tomorrow — it will
come through the hope and future of today's
youth.

Dedication

Mrs. Patricia E. Ingraham

For five years you have devoted yourself to making the Tiot something that will be treasured in years to come. Your help has been invaluable, your guidance critical but caring. You were always there to cheer us up and keep us going when we needed that push. You have given of yourself in the true spirit of Norwood High. For what you are, for who you are, for all your love, devotion and good humor, we are proud to dedicate this Tiot, "Spirit of 76" to you.

STUDENT LIFE

From grade ten to grade twelve,

From health to calculus,

We have grown through the years.

ENGLISH DEPARTMENT

The English Department of Norwood High offers many interesting programs. Through books, discussions, and the writing of papers, knowledge is gained about many different topics. English teaches one about the world of literature and its application to life.

FOREIGN LANGUAGE DEPARTMENT

In today's constantly changing world, one is frequently reminded of the importance of being able to converse with other people in their native tongue. The Foreign Language Department provides the necessary foundation for fluent speakers of French, German, and Spanish. Latin is also taught.

SCIENCE DEPARTMENT

The wide variety of science courses presented at Norwood High gives the student an opportunity to discover and pursue his own interests. From introductory to more advanced levels, the student is allowed to choose a program suiting his own desires and needs. The Science Department at Norwood High School has, indeed, created an atmosphere for the student in which he can prepare himself for his future goals.

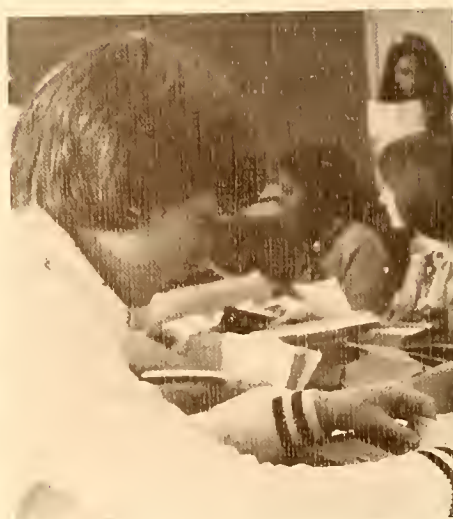

HISTORY DEPARTMENT

A journey through many different worlds — this is the History Department. From Western Civilization to Contemporary Problems, NHS students meet a variety of people, places, and cultures; and experience the aspirations and motivations of people, past and present.

BUSINESS DEPARTMENT

Through the instruction of typing, shorthand, bookkeeping and other skills, the Business Department teaches many useful techniques. These courses are not only for those who wish to enter the business world, but are also useful to other students. A, S, D, F, J, K, L,; these are the keys to open many doors.

MATH DEPARTMENT

The Math Department at Norwaad High is interesting and informative. The knowledge of mathematical skills is not only useful in technical work, but lends itself to practical information also.

PHYSICAL EDUCATION DEPARTMENT

Physical education is an important part of each student's high school education. Here at Norwood High the opportunities to discover one's abilities are never ending. This department aims for the development of correct attitudes toward play. It sets up proper standards of sportsmanship.

HOME ECONOMICS AND INDUSTRIAL ARTS DEPARTMENTS

The Home Economics and Industrial Arts programs at Norwood High School are more than just eating, sewing pretty clothes, and making clocks. They develop skills which often lead the student to a lifetime vocation. However, the learning is also combined with fun, as the student is in direct contact with others, often having to work on the same projects.

ART AND MUSIC DEPARTMENTS

The humanities at Narwaad High are constantly expanding and broadening the horizons for the students. The Art Department is arranged so that all students of mixed abilities and talents can apply themselves to a variety of creative experiences. The Music Department, as always, invites students to participate in both vocal and instrumental programs.

This year's senior class was fortunate to be graduating on our nation's 200th birthday. We hope that our "Spirit of '76" yearbook has brought out the Bicentennial theme effectively. We had a lot of fun putting it together, and we hope it reflects the attitudes and aspirations of our senior class.

Mustangs Place Third in League

The 1975 Mustang football team had another tremendous year, clasing with a 7-2-0 record to place third in the Bay State League. This was an unexpected surprise, since the team presumably wasn't even a cantender far the title. Leading the Mustangs were captains Paul Weta, Mike Paskus, and Mike Gulla. This year's team produced an all-schalastic back in Mike Gulla, and faur all-stars: Mike Parkinsan, Jae Fellini, Bob Breen and Paul Danavan. The graduating seniors wish the best af luck to the caaches and players of the '76 Mustangs.

Girls' Swim Team Has Growing Season

The Narvaad High School swim team experienced a growing season. The girls competed in a new league and did well, considering that they had last fifteen fine senior swimmers.

The team's new coach was Mrs. Sharan Eagan; she felt that the girls were exceptionally talented and that the sophomores and juniors will be a team to be reckoned with in the future.

It was a tough session with only five seasoned seniors, but we feel that the good sportsmanship qualities displayed will be something to inherit. Our scoring was sad, but our spirit unbeatable.

Co-Captains Kristen Larsen and Casey Harsman, with their constant optimism, made the team think they were going to be state champs. To filter it all down, we had a "splash of a time."

CROSS COUNTRY FINISHES SECOND IN LEAGUE

This year's cross-country team had a very good season. The team had a 5-3-1 record and, more importantly, finished second in the League Meet. In the Division One State Championship Meet, the Mustangs finished in fifth place out of over 30 teams.

The Mustangs had a good mixture of depth and talent. In Senior Captain Rich Hilchey, the Mustangs had an excellent leader who was also a superb runner. Rich's season was climaxed with his seventh place finish in the Division One State Championship Race, an amazing feat when one considers the fact that over 150 people run in the race.

Mike Bruce, one of the best sophomore runners in the state, came in 10th place in the Division One Championship Race. Steve Jackson, an outstanding junior, was plagued by injuries throughout the season. Despite the injuries, Steve was a constant threat for the Mustangs. Steve Sweeney, a sophomore, Bill Napolitano, a junior, and Scott Brown, a senior, gave Norwood great depth in the four, five, and six spots.

The seventh position on the varsity team never belonged to anyone for long, as people were always getting injured. Dave Cronin ran varsity four times, but his season ended prematurely due to a leg injury. George Connolly, Frank Carchedi, and John Kelliher all ran varsity for one race.

The work of Coach Mike Scanlon has greatly benefited the Mustangs. In a few short years, Coach Scanlon has brought Norwood into the limelight as a genuine distance power.

Soccer Compiles Best Record Yet

In 1975, under the leadership of Coach Giles Parker, the Mustang Soccer Team closed out a successful season, finishing with a 6-8-4 record, the best in the team's short history.

This record can be attributed to the team's powerful defense and the brilliant performance of goaltender Alan Micale. The Mustang scoring drive was sparked by Greg Sullivan and Tam San Giacama. With about half of this year's squad returning next year, the team is expected to be a strong contender for the Bay State League title.

Swim Team Shows Determination

The Boys' Swim Team spent another determined year. Although the boys did not win many meets, everyone put in much effort and time. The Dedham meet was the one where the boys tried their very hardest.

This year's Captain, Brian Haffman, along with Coach Daucette, psyched up the team and added moral support. Thanks to seniors Paul Waisol and Jim Guinchetto for their time and effort. "Bruce" will overcome next year!

Indoor Track Has Good Season

The Norwood High Indoor Track Team had a good season, finishing with a 7-2 record. They bounced back from a disappointing loss to Framingham South, beat a good Brintree team, and gave League Champ Needham its toughest meet of the year.

Outstanding performances were given by the team's leading scorers, George Cannally and Captains Rich Hilchey and Jim O'Neil. Another bright spot for this season and for seasons to come is Mike Bruce, who ran the best mile time in the league. The Indoor Track Team had an excellent year and is looking forward to a strong finish next year.

Girls' Basketball

The 1975-1976 Narwaad High School Mustang Girls' Basketball Team finished its season with a 13-5 record. This year's 18 game schedule proved especially challenging for the girls as they met each team twice. Coached by Mr. Parker and led by all-star co-captains, Jaan Trainar and Leslie White, the Mustangs worked hard throughout the entire season and, as a result, comprised the best overall record in N.H.S. history. The team made some other outstanding achievements over the season, such as defeating a strong Wellesley team for the first time ever and scoring 75 points against Framingham North. Not only that, but the J.V. team, coached by Miss Burt, captured the Bay State League Title with an incredible 17-1 record. It is plain to see that '76 was a great year for girls' basketball at N.H.S.

The class of '76 is represented on this year's squad by seniors: Anne Benson, Jaan Trainar, and Leslie White. The team would like to sincerely thank all those who attended the games and supported the team, with special thanks to manager Tricia Kenny.

MUSTANG FIVE MAKES TOURNEY

A surprising Norwood High Basketball Team, after having a slow start, clinched a tourney berth and finished its season with a fine 11-7 record. Although the team did not get off to a good start, the Mustangs managed to put it all together with the help of captains Billy Walker, Joe Dicalagera, and Brian Greenwood. Rounding out the starting line-up were Chris Collins and John Grim. Also seeing action were J. Harshmon, K. Kelly, M. Wilson, P. Taube, and B. Pugh. Norwood was proud to have Joe Dicalagera and Billy Walker chosen as all stars. The Mustangs represented Norwood High in a way that showed true sportsmanship and enthusiasm.

HOCKEY TEAM COMPILES EXCELLENT RECORD

The 1976 edition of the Norwood High Hockey team matched the fine record of last year's team of 14-1-3. The team was led by Coptoin Mike Gullo and ossistent coptoins Jeff Lone and Dove Johnson. Although the team finished in second ploc in the Boy State League, the Mustangs tied and beat league chompion Dedhom. In oddition to the Boy State League Season, the Don Wheeler cooched team quolified for the stote tourno-ment. This year is ilhe 12th time in the post fourteen years thot the Norwood team hos quolified for the tourney. In the first round of the tourney the Mustangs destroyed Suburbon League chompion Brookline 9-1. The next stop for the "stongs" was the Boston Gorden vs. the no. 1 team in the stote, Winthrop. After 3 periods and 2 scoreless overtime periods, o Winthrop forward broke free and scored the gool of his life. For Norwood the seo-son was over, but they hod performed well and hod nothing to be oshomed of.

Masoneilan International, Inc. is a leading manufacturer of automatic control valves.

Every day, at the Norwood plant and Masoneilan facilities throughout the world, hundreds of control valves are manufactured for the process industries: chemical and petrochemical plants; power generating stations; and processing plants of every type.

Making these valves requires many different skills—engineering, drafting, machining, grinding, welding, accounting, marketing and customer services—to ensure that each valve provides long lasting, precision service.

NEVER

A BEGINNER'S GUIDE TO BUILDING #19 (AND #19½ AND #19¾)

As you cross our threshold for the first time it is perfectly proper to take one step backward and let your astonishment show.

A mess like this you have never seen in a place that calls itself a store, (most likely). Summon your courage, sidestep the cartons, and saunter in. Stop at the coffee pot and help yourself. (Use two sugars ... we're having a good year). Meander through this Elegant Emporium. Poke about to your heart's content. If you want to buy something, wake up a nearby salesman. You'll find him friendly, honest, but not "pushy". If you don't buy anything, that's O.K., too (even if you are a no good, dirty rotten *IXY!*).

NO PASSPORT REQUIRED ... Building #19 (and 19½) is just like any other store, except that it's almost completely different. We really welcome your visit and appreciate your business.

WHAT TO WEAR ... "Cleanliness" may be "next to Godliness" but at our Weird Warehouses it's next to impossible so don't wear your best clothes. We love you for your own true self, not your costume.

LOOK AT WHAT WE'RE PEDDLING

Just cause we have nice-looking, congenial, courteous employees, and we offer you free coffee (self-service ... and bring your own donuts), and we have shopping carts, check-out registers, and other fancy stuff, don't confuse us with the "legitimate", regular department stores. We are borgain stores ... pure and simple (well, I don't know how pure??) We do not handle any regular merchandise at regular prices. We sell for less because we buy for less from insurance companies, railroad, trucking companies, bankruptcy courts, etc. etc. Some items are 100% perfect, some 99% perfect some 9% perfect. Some are scratched, dented, soiled, violated, defiled, mutilated, stomped on, smoked, toasted, or dusty but all items are sold with a no-strings-attached no-hold-time, satisfaction-or-your-money-back guarantee. You, the customer, are the sole judge.

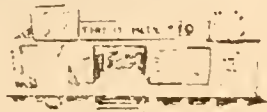

DON'T JUST SIT THERE!
COME IN AND BUY!

*Working Together
in the
Team Spirit!*

Do you know where you're going to
 Do you like the things that life is showing you
 Where are you going to
 Do you know
 Do you get what you're hoping for
 When you look behind you there's no open door
 What are you hoping for
 Do you know

Once we were standing still in time
Chasing the fantasies that filled our minds
You knew how I loved you but my spirit was free
Laughing at the questions that you once asked of me

Do you know where you're going to
Do you like the things that life is showing you
Where are you going to
Do you know

Now looking back at all we've had
We let so many dreams just slip through our hands
Why must we wait so long, before we see
How sad the answers to those questions can be

Do you know where you're going to . . .

We, therefore, the editors of the Yearbook, do, in the Name,
and by the authority of the good students of this Graduating
Class, solemnly publish and declare, that this 1976 Text
is, and by right ought to be, Memories of our High School
years; that it captures an important part of the Senior Class:
the individuality, the unity, the Spirit of 1976. In Witness
whereof we do hereunto subscribe our names, on this sixth
day of June in the year of our Lord one thousand nine
hundred and seventy six.
